OWN A DOG?

You Love your Dog...

But you sure don't love having to clean the mess in your yard. You have better things to do with your time!

It Has To Be Done....

Left to accumulate, dog waste ruins the appearance of your property, attracts disease-carrying pests, and could endanger the health of your pets and your family- not to mention getting on your shoes. Somebody has to do it. But that somebody doesn't have to be you!

Call: Best Friendz Butler...

Best Friend's Butler will come to your yard regularly to clean up and remove all those "canine calling cards" for you.

Weekly service starts at \$10.00 for one dog. Additional Dogs only \$5.00/ea.

Spring-Cleaning only, or a one-time service is \$50. Additional Dogs are \$30/ea.

Commercial Service is available. Please call for an estimate.

Satisfaction Guaranteed!
