Benefits of Changing Your Address Online at:

USPS.COM

- ✓ **Immediate Email Notification**
Assures you that your Change of Address order has been received and provides you with an important personal confirmation code.
- ✓ **Easily Modify or Cancel Order**
Using your personal confirmation code, go online anytime to make changes to your original order, including address changes and mail forwarding start or end dates. No need to revisit the Post Office. **Great for seasonal movers!**
- ✓ **End of Mail Forwarding Alerts**
Receive helpful email reminders when your mail forwarding is about to end (magazines at 2 months and all mail at 12 months).
- ✓ **Catch & Correct Errors Before Submitting**
Change of Address requests that contain address errors may take longer to process. You'll be alerted immediately if an address you're entering online doesn't match the USPS® list of valid deliverable addresses, allowing you to correct the error before submitting your order.
- ✓ **Valuable Coupons**
Receive access to valuable move-related coupons and offers.
